

8th September 2017,

Dear Parents,

Please find with this letter a copy of our Green Meadow Parent/Visitor Code of Conduct.

As a school, our aim to provide a nurturing learning environment that develops children's self-confidence and empowers them to reach their personal and educational potential. We are incredibly proud of our pupils who are well behaved and show consideration and care for each other. All staff work in partnership with you to ensure that there is a strong and effective focus on ensuring that pupils feel safe and well cared for whilst on the school site.

It is particularly important that all parents and family members are mindful of their interactions with other adults or young people particularly whilst waiting with children on the school playground before and after school.

We are all the role models for the children and, in their interests, people should not be approaching each other with disagreements that may be heard by our children. The school site is not the place for personal difficulties with other parents or family members to be discussed or aired. If you have any worries concerning your child at school, please do not hesitate to share them with staff as soon as possible. We ask that you arrange to speak with class teachers at the end of the day, when they have more time and are not welcoming or dismissing the children. If you have something you wish to inform school of urgently or in confidence, please phone the school office to make an appointment or email- enquiry@greenmeadow.bham.sch.uk

The Governors and I would appreciate your continued support in helping us to focus on pupil learning.

Yours sincerely,

H. Setchell
Headteacher
