

Dear Parents,

As you are aware the children are swimming every afternoon for the next 2 weeks. Therefore, reading and writing club will not take place for the next 2 weeks to allow the children recuperation time following their swimming sessions.

I will be providing the children with some higher level grammar activities to be completed at home to develop the children's understanding of more complex grammar in readiness for the club's return. The club will resume on Thursday, 8th February.

Thank you for your continued support,

Mr Nightingale
