

Year 6 - "The Promise"

Last term, Year 6 were involved in a transition project with the Malachi Trust. We explored lots of the issues we might face when we move to secondary school in the Autumn. As part of the project, we all worked together to put together the performance called 'The Promise' which was all about two friends starting Silver Street Secondary School. They needed to make many decisions about the dilemmas they faced and had to learn about how to deal assertively with peer pressure. We had great fun learning all of our lines, rehearsing the dances and learning all of the songs. Most of all, we learned some very valuable life lessons about how important it is to be true to ourselves at all times and stand up for what we believe. 6A and 6W

Well done Year 6, your performances were spectacular. Thank you to you and your teachers for all your efforts.

SAFE SUN

We are increasingly conscious of the harmful effects caused by too much exposure to the sun. You may wish to ensure that your children use a strong sun block during any period of sustained hot weather. We also encourage the practice of children wearing sun hats and sunglasses. Green Meadow sun hats (baseball £3.00 and Legionnaire £3.00) are available for purchase at the office. It may also be a good idea to send in extra water drinks during any hot spell. This will supplement the school provision of chilled water which is readily available to all pupils. If such weather does appear we will, as always, allow pupils the opportunity of 'cooling off' by sheltering under our canopy or in the hall. Be assured that it will be planned so that no child will be out in the sunshine for extended periods of time.

Year 1 Phonics Screening Check

As you may be aware our Year 1 children will be undertaking a national phonic screening check during the week beginning June 16th. You have already been involved in the Parental Workshop held before Easter but if you do have any questions please see Mrs Mills or the class teachers for any further support.

YEAR 4—TUDOR WORKSHOP

On Thursday 1st May Year 4 had a Tudor workshop for the whole day. First we saw a court scene acted out by the amazing actors in our year group and the two workshop people. After the court scene we played Tudor games and our favourite was a gambling game. Next we made some Tudor felt and ours was multi-coloured. Finally we had military training where we became pipe men and learned how to dis-arm a man riding a horse.

DRIVING / PARKING ISSUES

Parking can be a divisive issue when looked at from different perspectives. When you park please ensure that all pupils are safe. We would like to stress the need for parking procedures which minimise the risk of our pupils being put in danger. Please park and drive at all times with due care and consideration both for our neighbours and, most importantly, for the safety of our children. We would also like to remind parents not to stop in front of the school gates to 'drop' children off as this is a health and safety issue, these gates must be kept clear at ALL times. The PCSO's who regularly patrol the roads around the school have asked us all to record the registration numbers of any cars where the driver has dangerously driven or parked as they will operate a zero tolerance policy. Please contact the Police on 101 with the registration number if you need to report any issues.

Lunchtime Provision

External providers have supported Continued Professional Development for our Senior Leadership Team and Lunchtime Supervisors to ensure the best possible provision for our pupils.

We have reorganised the active / quieter spaces on our playgrounds and created a mediator stop by the trees for children to use. A new display board is also being used to help with clear communication as well as the continued use of stickers, gold cards and lunchtime certificates to reward positive behaviour.

Ian, our Steps2Sport coach, is also employed at lunchtime to support active involvement during this important time. A new initiative is the focus on a weekly lunchtime behaviour target for all children at our school. This target will change when appropriate and be focused on good manners and community behaviours inside the school during lunchtime and those we expect to see when children are playing outside. For example, this week the focus is tucking in your chair when you leave the dining halls. Lunchtime supervisors will be issuing stickers to our pupils so please look out for these and praise the children for doing well.

The weekly target will be displayed on the lunchtime notice board in the Junior playground. Please have a look.

Thank you.

Year 2 -Sunny St Lucia!

It was holiday time in Year two this week! We were all very excited wearing our summer clothing and being able to get our shades out. In preparation for our travels we learnt a new style of dance. Rebecca taught us Caribbean dancing to a groovy piece of music. We worked up a sweat remembering and practicing all of the different steps. At the end of the session we were exhausted but it was a lot of fun!

However, the excitement did not end there. We then constructed our passports ensuring we had included all of the relevant information ready to board the 1.35pm flight to St Lucia. On board we enjoyed a range of in-flight snacks and entertainment. The cabin crew were amazing and ensured we all had a pleasant journey. We can't wait to find out more about St Lucia and the topic of holidays this term.
